WFP AVIATION
GLOBAL PASSENGER AIR SERVICES

PROVISIONAL

NETWORK SUMMARY

EAST AND WEST AFRICA
Version 2

01-15 MAY 2020

WFP
World Food Programme

General

Current document summarizes WFP established provisional Global Passenger Air Services Networks in East Africa and West Africa regions.

Actual flight schedule is subject to government flight authorizations. Please refer to https://humanitarianbooking.wfp.org/en/ to receive updated information on flight status and flight clearances availability.

Detailed provisional flight schedules are annexed to the current document in excel file. Flight schedules are valid for a period of two weeks and are continuously being reviewed in accordance with the humanitarian and health workers travel requirements. The flights schedule validity is indicated on each schedule. Flight schedules are subject to operational changes that will be promptly communicated to the User Organizations.

East Africa Region Network
